

ABOUT US

We are 188 students strong across Preschool through 8th grade serving families from the West Side of Chicago.

WHO WE ARE

85% of our students come from Austin, and the other 15% come from zip codes of economically disadvantaged neighborhoods

We have 11 faculty members, one per grade, and 1 full-time and 3 part-time administrators

93% of this year's 14 graduating 8th graders will be attending top-tier high schools like Trinity and Christ the King

In addition to the school, the SCSL campus includes an emergency housing shelter in the rectory and a residential treatment center in the convent.

GREAT THINGS HAPPENING

Established a new perpetual scholarship fund named after a beloved teacher and coach from the '60's and '70's – Bob Driscoll – with an initial endowment of over \$350,000

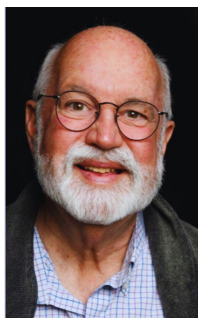

Raised more than \$220,000 in scholarship assistance for the coming school year thanks to Illinois' Invest in Kids Act

Increased enrollment by more than 30% since 2020
